## **MY DAILY ROUTINE**

**OR**

## **MY DALIY LIFE**

I am a student. I follow a simple routine in my daily life. I normally get up at 5:30 a.m. and make for morning walk. I spend about one hour in the field and do some exercises. Then I come back my home. Taking brake fast, sit down to read at about 7 pm . I study, write and complete my home task till 9.45 am. I do not allow any disturbance during study. I go to the river to take bath. Our classes begin at 11 am. I reach school at least 10 minutes earlier and take my set in the front row. As soon the bell rings for the recess period, we rush out of our Rooms like birds out of cage. Returning home in the afternoon, I take my lunch and go to the field to play cricket and football. At dusk I return home and make myself fresh. After that I sit down to read again. At 10 p.m. I usually take my supper and by 10.30 p.m. I go to bed for the night. But I don't follow the routine on Sunday. Because it is holyday, a day of rest.
